Termination Note

We would like to terminate our current Internet leased line service with effect from ____/____/_____.
Therefore kindly do the needful from your side.

Reason(s) for termination:

- Not getting timely support from TashiCell (7701)
- Frequent system faults (DNS, mail, some websites not working or opening)
- Too expensive (Internet leased line rate is high)
- Connection is through radio (I need fiber connectivity)
- No network coverage in new location
- No longer, need the service/product
- Billing issues
- Better value/deal from another ISP
- Slow Internet speed / not getting subscribed bandwidth
- Others (Please specify)

NOTE to Client:

This is to notify that even after termination of Internet Leased Line Service if there are any outstanding bills pertaining to the current ILL service, Penalty will be accumulated until client pays off all the outstanding bills. Therefore, we humbly request our Client to pay all the outstanding bills pertaining to the current service before termination to prevent accumulation of penalty.
